

Lind Military Cables

BA5590 Military Battery Cable

Use this BA5590 battery cable to power Lind DC/DC converters from BA5590 Military Batteries. This cable can be used as an input cable for most of our Ruggedized DC/DC adapters including the majority of our Panasonic adapters. Other cable configurations are available, please call for details.

Examples:

P/N CBLBA-00220: 36inch, to power Panasonic laptops directly from BA5590 military batteries

P/N CBLBA-00100: 36inch, BA5590 battery to Lind DC/DC adapter

P/N CBLBA-00101: 8inch, BA5590 battery to Lind DC/DC adapter

Connect 3 BA5590 batteries together with this cable to provide long uninterrupted power
P/N CBLBA-00250

BA5590 Connection to Female Cigarette Lighter Socket, 15 Inches, 12-15VDC
P/N CBLBA-00150
