

Otterbox 1900 Heavy Armour

Otterbox's 1900 Heavy Armour PDA protective case offers a high level of ruggedisation for commercial PDA'S. The case offers a universal fit to most PDA's and is a cost effective solution for those looking to transform their non-rugged PDA into an IP67 sealed unit.

The Otterbox 1900 includes a replaceable screen membrane which protects the PDA touchscreen from scratches while providing easy access to front panel buttons as well as an impact resistant, flip-up screen cover.
